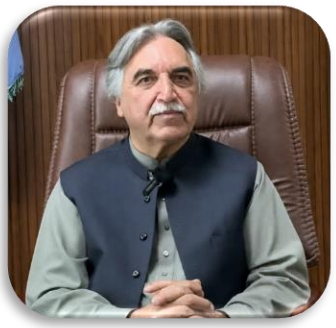
CHAIRMAN'S MESSAGE



With the blessings of Almighty Allah, it is a great honour and privilege to serve as Chairman of the Board of Intermediate and Secondary Education Abbottabad. This responsibility provides me with valuable opportunities to engage with students, teachers, educationists, parents and other stakeholders, while strengthening our shared commitment to quality education and public service.

BISE Abbottabad takes immense pride in its continued efforts to improve the standard of education and assessment. The Board remains firmly committed to modernizing the examination system through technology-driven reforms and ensuring transparency, fairness, accuracy and academic excellence. These initiatives have strengthened public confidence in the Board and established BISE Abbottabad as one of the leading educational boards in the province.

Our students are the hope of the nation and the architects of its future. Their achievements in the HSSC Annual-I Examination 2026 reflect their hard work, perseverance and dedication. I extend my heartfelt congratulations to all successful candidates, particularly the position holders and high achievers, whose outstanding performance is a source of pride for their parents, teachers and institutions.

To those students who could not achieve their desired results, I offer a sincere message: do not lose heart. Success is not determined by a single examination. Every setback provides an opportunity to learn, improve and return with renewed determination. Believe in your abilities, remain focused and continue striving towards your goals.

I also express my sincere appreciation to the officers and officials of BISE Abbottabad for the successful conduct and timely completion of the examination and result process. Their professionalism, integrity, teamwork and tireless efforts have played a vital role in fulfilling this important responsibility.

May Almighty Allah bless all our students with knowledge, wisdom and success, and enable them to serve their families, society and country with distinction. I wish every student a bright, prosperous and successful future.

Inayatullah Wasim
Chairman

CONTROLLER'S MESSAGE

The preparation and declaration of examination results is a demanding responsibility that requires meticulous planning, strict confidentiality, accuracy and effective coordination. Every branch of the Board performed its duties with professionalism; however, the exceptional efforts of the Secrecy and Conduct Branches deserve special recognition. Their tireless work, together with the cooperation of officers and staff at every level, ensured the timely, transparent and accurate completion of the entire examination process.

BISE Abbottabad has achieved another significant milestone by successfully introducing the Online Screen Marking System for selected subjects of the HSSC Annual-I Examination 2026. Under this initiative, the answer scripts of English, Chemistry and Physics for both Grades 11th and 12th were evaluated digitally. This modern system has enhanced the accuracy, transparency, security and consistency of the assessment process while enabling effective monitoring and the timely completion of marking. The Board remains committed to expanding the use of technology to further strengthen the credibility and efficiency of the examination system.

I express my sincere gratitude to the Secretary, Elementary and Secondary Education Department, for valuable guidance and support. I am equally thankful to the Honourable Chairman and Secretary, BISE Abbottabad, whose leadership, encouragement and continued support remained instrumental in the successful completion of this important responsibility.

I extend my heartfelt congratulations to all successful candidates, particularly the position holders and high achievers. Your success is the result of your hard work, discipline and determination, as well as the guidance and sacrifices of your teachers and parents. May this achievement inspire you to pursue even greater goals in the future.

To the students who could not achieve their desired results, I offer a simple but sincere message: do not be discouraged. A single examination result does not determine your ability or define your future. Learn from this experience, believe in your potential and move forward with renewed determination, perseverance and faith.

Finally, I acknowledge the invaluable role of parents, teachers, educational institutions and all stakeholders in shaping the future of our students. May Allah Almighty bless our collective efforts and guide us towards achieving further milestones in educational excellence, transparency and public service.
